Adjusters International
602 Park Point Dr
Golden Colorado 80401

Attn: William Ibur
Pat Bickford

Colorado Springs School District #11 retained Adjusters International between 1995 and 1997 to represent us in a large hail claim and the subsequent roof damage. They were instrumental in the negotiations between the three different insurance carriers involved and claims dating back numerous years.

With their help and expertise, the District was successful in recovering in excess of one million dollars on these claims.

Please contact me if you have any questions.

Sincerely,

Linda Burnett, CISR
Property Claims Adjuster
