Att: Scott Davidson

Dear Mr. Davidson:

We want to express our gratitude for the work you and your team did in this Condominium regarding our claim for losses from Hurricane Georges. Starting from the estimators, Jim and Dick, entering the data in the computer and finally adjusting the price with Lloyd's of London, the work produced excellent results. Thanks to you we were able to please all owners, and we have the detail from all the claims without having to involve the Board Members in the process.

Once again Thank you and I hope we don't have to call you again too soon, but should we have another disaster, you will be our first choice.

Sincerely,

Ana María Castañón
Vice-President
