Dear Bobby Levin,

I want to thank you for your handling of our recent insurance claim. I am greatly appreciative for the financial results and also for your guidance and support during that stressful time. We are excited and honored to have Mayor Dennis Archer present for a ribbon cutting ceremony on Friday, April 4. We will also be excited and honored if you can find the time in your busy schedule to join us.

Sincerely,

A handwritten signature in black ink that reads "Robert Blank". The signature is written in a cursive style with a large, sweeping initial "R".

Robert Blank
