We wish to thank you and your team for advocating on our behalf for our insurance recovery of our commercial building loss. We lost 30 units at brand new 237 unit apartment building two days before it was scheduled to open. It was a devastating setback.

Thanks to your expert handling of our insurance claim, we were able to recover almost three times the amount our insurance company originally offered. You and your team were always there advocating on our behalf and navigating the claim through the numerous coverage issues. Your wealth of knowledge was invaluable in helping us get back on our feet. Without your involvement, we would not have recovered as much of our losses as we were with your assistance. Your company's fee was well-spent on our part and well-earned on yours.

We would be happy to serve as a reference to any potential clients needing your services. Please do not hesitate to have them contact me at 801-433-2480.

Best regards,

Jeff Bennion
