Dear Harold

A million "Thanks" for your service of immediately surveying and evaluating the cost of reconstruction of the units at Clay St. together with Ms. Yumei Horn. I am impressed with the close cooperation of parties involved.

The monies obtained by you for "rehab" are greatly appreciated.

Should anyone need help from a Public Adjuster, I will be happy to recommend you, and The Greenspan company.

Thanks again.

Yours Truly,
Harry K. Fong
