I wish to express my sincere gratitude for your efforts on behalf of Wescott Fashions Ltd. in settling the insurance claim for our Sun Valley Warehouse. The result of your efforts was a settlement of the claim far in excess of the amount that we had expected.

We heartily endorse the efforts of your Company to move to Canada, and should the need arise we will not hesitate to call on you to handle settlements of this type in the future.

Yours truly,

WESCOTT FASHIONS LTD.
