To Whom It May Concern:

Kenny, we are writing this letter to express our gratitude for a successful resolution to our hail damage claim here in Arizona. You and your firm showed us a level of professionalism, customer service and expertise that is beyond reproach. Being in the real estate and construction business for over forty years we had assumed that we could handle a claim like this but it became clear that we needed an advocate like yourself that understands the inner workings of the insurance business and the ability to resolve a large claim like ours. Thank you for all your help.

Sincerely,

Steve O'Connor,
