Thank you very much for all your hard work negotiating with our insurance company for my fire claim. The efforts of all your team members including Jim Warren, Ken Crown, and Larry Izzo are much appreciated. An apartment building that I own in Boise, Idaho suffered a terrible fire. The 16-unit structure sustained tremendous damage causing the tenants to be displaced. I faced a totally destroyed building and a loss of rents on the recently purchased investment.

I am very happy to have met your firm. You guided me every step of the way through the difficult process of scoping the damage, identifying the code upgrades, obtaining loss of rents, and applying the insurance policy in a manner to maximize the insurance policy benefits.

You negotiated an excellent settlement on the repairs. I was able to recover more than I would have on my own. Thank you. You folks really know your stuff. I highly recommend anyone suffering a major loss to utilize your services. You truly helped us get back to focusing on our business. Thanks again for all your hard work.

Sincerely,
