Dear Mr. Greenspan:

The purpose of this letter is to compliment your firm for the professional manner which our claim was handled. Since the claim was associated with a fire that consumed the foundry facility, it was difficult to determine where to begin in the documentation process. Mr. Herb Greenspan and Ms. Sandy Cho did an outstanding job in assisting and advising us in the preparation of the paperwork for the claim. We were particularly pleased with the ongoing input and feedback which members of your staff provided. Again, let me thank you and your staff for a job well done.

Sincerely,

Gilbert Herrera
