Adjuster's International
3600 Wilshire Boulevard
Suite 300
Los Angeles, CA 90010

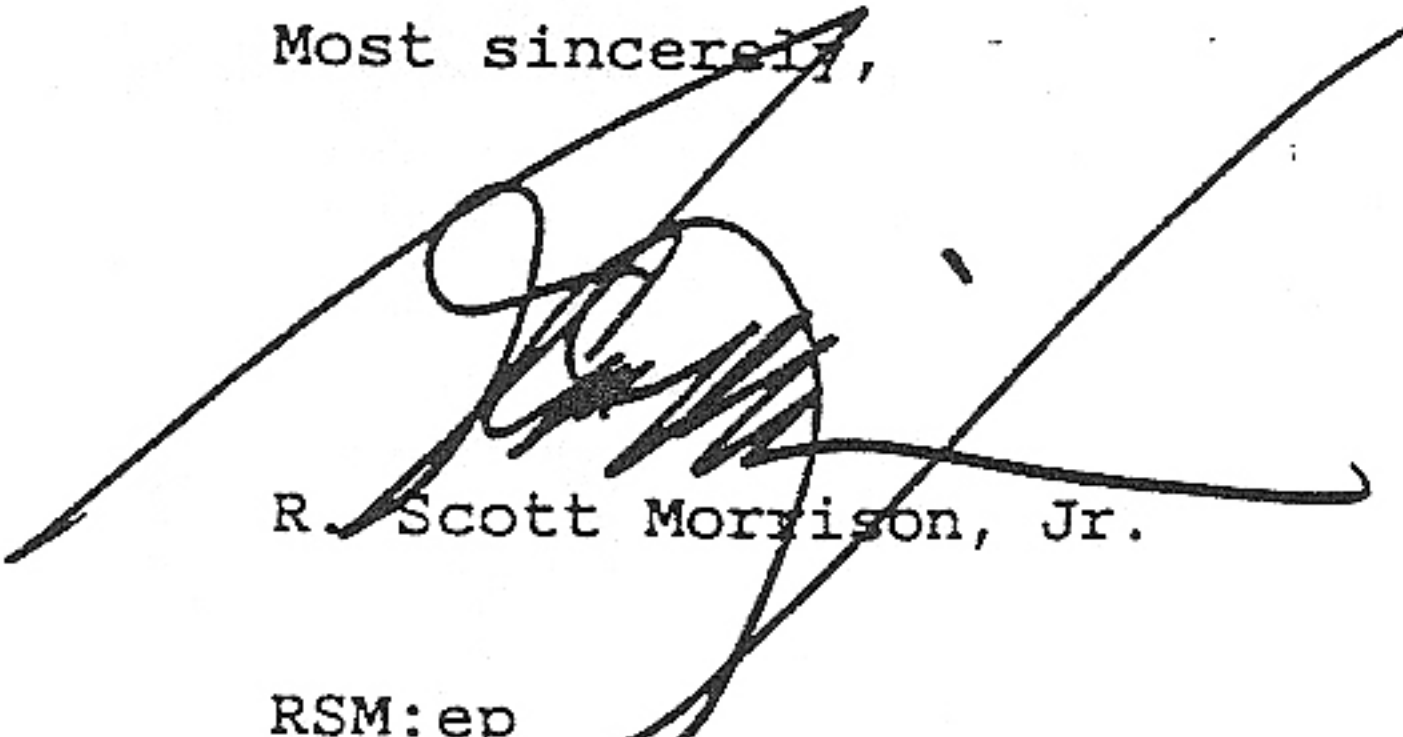

Just a letter to acknowledge your representation of our claim in connection with the Cat Cay disaster, caused by Hurricane Andrew.

I merely want to commend you and your Staff for the excellent coordination of our claims, your flexibility with regard to any amendments and your follow up - even though chasing some of the "adjusters" was very difficult.

Please do not hesitate to use us as a reference for any future client solicitation.

With all good wishes, I am,

Most sincerely,

R. Scott Morrison, Jr.
