RE: Water Loss 1/10/95  
655 Cedar Avenue Long Beach

Dear Stephen:

Thank you for agreeing to take our case and help us adjust our claim against our insurance carrier. Without your help, we would not have gotten the settlement we received. In retrospect when the insurance carrier first appeared at the scene, they estimated the repairs at \$30,000, and by the time of this letter, you have managed to convince them that the total claim is around \$389,000.

You and your company have been a godsend to us. Thank you for your help again, and we will not hesitate to recommend your services to everyone we know.

Sincerely,

REV. MISI TAGALOA
