Dear Mr. Manista:

I am writing this letter to thank Ken Manista and Adjusters International for the professionalism and timeliness in adjusting the loss of my restaurant.

During the most devastating and stressful time of my life I made one of my best business decisions. I hired Adjusters International to prepare my claim to my insurance company which paid the full face value of my building coverage and full face value of my contents coverage. My business interruption coverage is still being considered but I know I will be treated fairly. Thanks Ken!

Sincerely,

Richard Wiesner

P.S. Look for an invitation to our grand opening March 27, 1994, one year from the day of the fire that destroyed the old Maxson Manor.
