Re: Insurance Claims

I wish to take this opportunity to extend to your firm our appreciation for your efforts in representing Collindale III Condo Association (Peachtree), on our recent insurance claim.

Your knowledge and guidance allowed the association to recover damages that our insurance company had disputed earlier and ultimately settled our claim for an amount that pleased the homeowners at Peachtree.

I would not hesitate to utilize your services in the future and would recommend Matrix Business Consulting to any potential client.

Thank you again.

Sincerely yours,
