Gentlemen:

I am writing this letter on behalf of Reiss-Davis Child Study Center to thank you for your excellent services performed on our behalf as a result of the serious damage suffered both to our Building and Contents on June 8, 1974.

We are greatly appreciative of your efforts in bringing this claim to a fair and equitable conclusion.

Sincerely,

Dear Mr. Greenspan:

This is to say thank you on behalf of the Board of Trustees and staff of Reiss-Davis Child Study Center for your most generous contribution of \$1500.00. An official receipt is enclosed.

You may be certain that your thoughtful gift will be most helpful in furthering our program of low cost psychiatric treatment for emotionally disturbed children and members of their families.

The patience and understanding that has been provided by you, as well as Mr. William Rake of your firm, has gone a long way to help us deal with what we know was a most impossible situation. My very personal appreciation for your services and your kindness.

Sincerely,
