The Greenspan Co./Adjusters International
400 Oyster Point Blvd., Suite 519
South San Francisco, CA 94080

I had a major fire at my apartment building in San Francisco. Almost 27 families were displaced as a result of the fire. I was really overwhelmed by the loss and did not know where to begin with addressing the numerous tenancy and insurance issues. I am so glad I met with you, Rino Benenati and KC Collum to help me through the claim as I knew from my first meeting with my insurance adjuster I would not get the help I needed.

The team you assembled from The Greenspan Co./Adjusters International was spectacular. Vic Johnson did a great job of estimating the loss. Patti Annecston was fantastic in her service. You fought the insurance companies tactics of denying and delaying payments for items that were covered under the policy. I really appreciate all the diligence you and your team put in this hard claim.

Without your help I would not have recovered almost three times the amount originally offered by the insurance company. The level of expertise you and your staff brought to the table was nothing short of astounding. Your fee was money well spent. Please do not hesitate to use me as a reference. I can't say enough good things about you and your organization.

Sincerely,
