To Whom It May Concern:

We highly recommend Greenspan & Company.

Bill Greenspan represented us in our insurance claim for catastrophic fire damage to our property in San Francisco. With Bill's assistance, we secured full replacement value for our property. Our insurance company was uncooperative and inefficient, but Bill was tenacious in his representation of us. Throughout the ordeal, he kept us fully informed of the developments in our case.

We are quite certain we would not have recovered full replacement value without Bill's professional handling of our claim.

We unconditionally recommend Greenspan & Company for their professionalism.

Sincerely,

  
Jacqueline and Chip Barnes
