Attention: Mr. Patrick W. Bickford, SPPA

Dear Sirs,

We wish to express our sincere appreciation for the services which your organization rendered in assisting in the adjustment and determination of this Company's insurance claim arising out of damages which it sustained as a result of hurricane "Gilbert" which ravaged the island on the 12th September, 1988. In particular we would like to place on record our thanks to Messrs. John Grice for the period of time that he was directly assigned to this case and to Mr. Pat Bickford who carried on until the submission was made by the Company for settlement.

It is hoped that the bond of friendship which was created during this relationship will continue and that we may, from time to time, as the necessity arise, be free to call upon you for such assistance, information and guidance as may be deemed necessary.

In accordance with your letter of March 23, 1990 your cheque for \$243,299.47 was handed to Mr. Mordecai for deposit in your City Bank Account. We enclose a photocopy of the cheque for your information.

Best regards.

Yours faithfully
