Dear Robb:

Thank you for your professional assistance with respect to our insurance claim from the water damage loss we experienced this year. You were a great help in determining the extent of the loss, in formulating the actual claim and during the ultimate settlement negotiations. I will not hesitate to recommend The Greenspan Company to any company or individual which experiences significant or complicated losses.

With respect to the \$2,022.59 invoice you referred to, attached is a front and back copy of the payment check from Wilshire Designs.

If you have any questions, please feel free to contact me.

Sincerely,
