Re: Proof of Loss  
Florida Windstorm Underwriting Association

Dear Pat:

Enclosed is original, signed and notarized Sworn Statement in Proof of Loss for the \$1,751,666.91 in initial building damage losses due to Hurricane Georges.

Adjusters International has done an outstanding job for Monroe County and your "praises were sung" at the BOCC meeting on March 11, 1999. Although I was a little skeptical in the beginning, there is absolutely no doubt in my mind now that we did the right thing in contracting with your company.

Sincerely,

  
Donna J. Perez, ARM  
Risk Manager
