Gentlemen:

It is a great pleasure to write this thank-you letter for a job well done in handling our insurance claim in connection with the fire at our former office in Anaheim. Our best decision early on was to retain the Greenspan Company to represent us in handling the fire claim.

Richard Tanitsky, SPPA, was particularly helpful in convincing the insurance company to do everything they were obligated to do; that wasn't easy, but he accomplished it in a quiet low key manner. We shall be ever grateful to him.

If you wish to use us as a reference for your prospective clients, we would be happy to talk to them and give our favorable endorsement of your company.

Very truly yours,

Larry Armour
