RE: LETTER OF RECOMMENDATION

To Whom It May Concern:

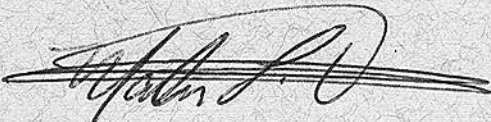

On July 17, 1995 our company sustained severe fire damage to its corporate office facility located at 3200 North 'E' Street, San Bernardino, California. The preliminary estimates of damage are approximately \$600,000.00.

We retained the services of The Greenspan Company to represent us in the capacity of public adjusters. To date, we are very happy with the services they have provided. They are honest, reliable and a hard working group of individuals. Specifically, Steve Severaid has proven to be resourceful and prompt in his attention to our situation.

We highly recommend the services of The Greenspan Company and certainly Steve Severaid individually. If in the event you are in need of a personal recommendation, please feel free to contact me directly.

I remain,

Sincerely yours,

Martin L. Hudler
Vice President
