Dear Sidney:

Enclosed please find copy of letter from Craigin and Pike Insurance Co. and copy of check from the St. Paul Insurance Co. covering business interruption in the amount of \$140,690.47.

Sidney, you and your firm have done an outstanding job. I am pleased not only with how well you have performed for us, but for the friendship which has developed between us.

We are most anxious, as you know, for Robb to finalize the furniture and fixture loss as well as the extra expense loss so that we can finalize this claim and see that you get your well deserved fees.

Kindest personal regards,

MARSHALL ROUSSO INC.
