Dear Ethan:

I just wanted to take this opportunity to express my appreciation for the outstanding work you did in connection with the December 20th fire loss at my campaign office. You and your staff at Globe Midwest/Adjusters International are to be commended for the knowledge and professionalism you brought to this task.

With my background in the insurance industry, I know that your experience and your meticulous attention to detail were instrumental in achieving a fair and equitable resolution of our claim.

Once again, thank you for a job well done!

Sincerely,

Joe Knollenberg, M.C.
