The Greenspan Co./Adjusters International
400 Oyster Point Blvd., Suite 519
South San Francisco, CA 94080

I am the owner of a commercial building on Market Street in San Francisco. It suffered major vandalism damage earlier this year. It was a devastating loss. As you know, this is the second time I retained The Greenspan Co./Adjusters International to help adjust a major claim.

The expertise of your firm was very helpful in settling the loss in a timely manner and for a favorable sum. Your fee of \$10% of the insurance recovery was money well spent. I would not hesitate to call The Greenspan Co./Adjusters International again if in the same situation. Please do not hesitate to use me as a reference.

Sincerely,

John Brennan
President
