Dear Arnie:

On behalf of all the principals in Calzona Foods, I would like to take this opportunity to say thank you for the support and effort from Greenspan and in particular yourself.

A major fire of this type is extremely traumatic, and your expertise in this field helped dramatically to ease the pain.

It would be our hope to never have to use your services again, but if that occasion should happen, we know who we would contact.

Again, Arnie, thanks for all of your professional help and please let the rest of the group know we appreciated their efforts as well.

Cordially Yours,
