Dear Josh,

I am writing to thank you for your efforts in successfully representing me on my claim. At every turn the insurance company did not believe my claim and frankly made me feel like a criminal. I had no idea that an insurance company would play such hardball with a longtime customer such as myself.

I am very pleased with the results of my claim. Your expertise in the insurance world has helped me put my house back to the perfect condition it was in before the loss. Please express my thanks to the entire team of people who worked on my behalf. With out them I know I would have not ended up with the fantastic settlement I did.

If you ever need a referral please feel free to put me on your list. I will be happy to tell my story to any of your potential clients. I know once I have spoken with them they will not even consider taking on the insurance giants with out your excellent assistance.

Thanks again.

Dallas Nevill
