

Dear Greenspan:

I just wanted to thank Ken and the rest of you at Greenspan for the excellent work done in negotiating with Cal-Casualty et al on my flood loss which occurred Feb. 14, 1986. Without Greenspan's professional assistance I would not have received as much compensation as quickly, no doubt about it.

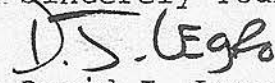

We are in the middle of rebuilding now. Our new bldg's will be bigger and better than those lost. Thanks again, as always,

Sincerely Yours,
D.J. Legro
