Re- Fire Damage Claim

Dear Jeff

We would like to thank your Company for the speedy, efficient and professional way in which you dealt with our claim.

We would also like to thank you personally for the competent and reassuring way in which you carried us through a very difficult time, as from our first meeting right through to us receiving the cheque so promptly.

Should any of our colleagues find themselves unfortunate enough to be in a similar situation, we would have no hesitation in recommending your Company.

Many thanks Jeff.

Kind regards,

M Hollow
