Dear Randy:

Enclosed is my trust account check in the sum of \$7,447.26 representing payment in full for your services rendered in connection with this matter.

I truly enjoyed working with you and your company. I particularly enjoyed your ability to coordinate and work with legal counsel. You and the other members of your firm that I dealt with were professional and exhibited a genuine interest in the concerns of your client. Your assistance greatly contributed to the successful handling of this very difficult claim.

I will not hesitate to utilize your services in the future when the need arises.

Very truly yours,
