Attn: Mr Bill Greenspan,

Dear Bill,

Both Evelyn & I would like to express our appreciation for your help and assistance in settling our fire loss at 2009 Vallejo St,

We feel that you and your staff were most helpfull at a time of considerable confusion and stress. We also feel that without your help we would not have been able to settle this matter with the insurance company as well as we did.

Yours Sincerely
BRITISH AMERICAN IMPORTS

A handwritten signature in dark ink, appearing to read "Patrick Alexander", is written over the typed name.
