Our San Francisco restaurant in Presidio Heights recently had a really bad fire. The loss caused tremendous pressure on our family and damage to our business. I was referred to you by Sean Elsbernd, the Chief of Staff for Senator Feinstein, to help us with our insurance claim. We are grateful to have had you and The Greenspan Co./ Adjusters International represent us because through your efforts we achieved a favorable resolution. Thank you for your diligent efforts. We sincerely appreciate everyone's hard work. We are happy to serve as a reference for The Greenspan Co./ Adjusters International.

Sincerely,
