DEAR MR. GOODMAN,

I would personally like to thank you and the Greenspan Company for a job well done. Mr. Goodman I like to further thank you for your expertise in handling the insurance settlement. The job you had produced for my building was superior to say the least. I also appreciated the personal contact and immediate response you gave me during this period. These steps were necessary in resolving a fair and equitable settlement.

If there any questions or further references needed from me please feel free to contact me.

Thank you,

D.G. Patel
