The Greenspan Company/Adjusters International  
16542 Ventura Blvd., Suite 200  
Encino, CA 91436-2092

Dear Sir or Madam:

It is with great pleasure that I write to you regarding my experience with the Greenspan Co./Adjusters International and the service provided by one of your adjusters, Mr. Arnie Abramson in connection with a water damage claim on my property. Our insurance company was initially non-responsive; however, with the assistance of Mr. Abramson our claim was resolved quickly and successfully. It was certainly Mr. Abramson's consideration and professionalism in facilitating the claim process that I would highly recommend the Greenspan Co./Adjuster International's services to my colleagues and associates for assistance with any future claims.

Yours truly,

Wolfgang V. Kupka  
President
