RE: Fireloss 5/18/95

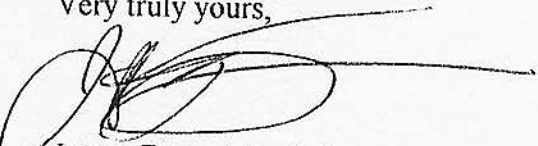

Dear Shellie

Having just returned from a week off with the family, I'm glad to say we are all doing well. I did receive the binder you sent me. Your help over the past year has given us the time and the ability to focus on our families and our day to day operations of the business. Do to the circumstances before us, we have been distracted with "putting out little f_ _ _ s" and not been able to sit down and reflect on those who have worked with us up to this time. Your friendly ear and professional courtesy were greatly appreciated this past year. The support team of Randy Goodman, David Verbits, and your office all responded to our needs and performed well to move us past the First Party "BI" Claim.

The future for us is a little clearer each day that we have an opportunity to rebuild what we once had. One more chapter is closed in the process of rebuilding and for that we thank all of you. I will be in touch to look at our new fire and liability coverages in the near future.

Thank you Shellie & The Greenspan Co.

Very truly yours,

James Fregosi Jr. & Company
