The Greenspan Co. / Adjusters International
5000 Hopyard Road Suite 302
Pleasanton, CA 94588

We would like to thank The Greenspan Co. / Adjusters International for standing in the gap for Thunderbolt Wood Treating, Inc. in adjusting our fire claim. We appreciate Kenny Taylor, Chris Glenister, and Jim Warren, for their active participation and representation on behalf of Thunderbolt Wood Treating, Inc. Thunderbolt Wood Treating, Inc., would not have been able to accomplish the results in the final settlement and adjustment of our claim without their expertise in the insurance industry.

It is with great pleasure that I write this letter of recommendation on behalf of The Greenspan Co. / Adjusters International. We want to especially thank you for the professionalism of The Greenspan Co. / Adjusters International team. We in particular thank you for allowing Kenny Taylor to be the liaison between The Greenspan Co. / Adjusters International, the insurance company, and ourselves. Kenny's professional demeanor, integrity, and forthrightness model the good name of The Greenspan Co. / Adjusters International.

It is without question that I would not hesitate to recommend The Greenspan Co. / Adjusters International and their great staff to anyone who has a need for professional insurance adjusters.

With sincerest regards,
