Dear Sir:

Please be advised that hopefully our claim is almost complete. Since Paul Migdal's entrance into the picture as our Greenspan adjuster we have been able to communicate with State Farm with much more ease. He has been extremely valuable to us in our negotiations with State Farm. Hopefully he will continue to assist us in the final stages and we can close our claim.

Should you need any additional information, please do not hesitate to call.

Very truly yours,

Dick Levy  
President  
Encino Spa Homeowners Assn.
