RE: Fire Loss 12/4/85
File #30078
8115 S. El Dorado, French Camp

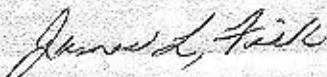

Dear Bill:

Enclosed you will find our check to cover your services for our fire loss.

We want to thank you for the wonderful services that you provided us during our loss. You were there from day one and that was reassuring. You and Frank were very thorough with your investigation and working up our loss. Without your services we never would have been able to make the settlement as quickly and smoothly as it went. It was a relief for us to know that you were handling it and we never had to really become bogged down with the settlement. Whenever we had a question you were always as close as our phone and on more than one occasion we were ready to call you and the phone would ring and it was you. Thanks to you we were able to put our energy into reconstruction and running our business.

Again, we want to compliment you for your integrity and for all of your assistance. We hope that you will be able to come over for our GRAND OPENING in the very near future.

Sincerely,

James L. & Angela Fisk/
