Enclosed you will find the machinery settlement check for endorsement by SIDNEY GREENSPAN AND COMPANY. I have also enclosed their check for services rendered on this settlement, your invoice # 2897.

Also a reminder of request for paper-work on total statement of proof of loss on stock. We would really appreciate you enclosing this info with the return of the machinery settlement check. Thankyou Gary, and all of you at GREENSPAN AND COMPANY for all of your help during one very difficult experience.

THANKYOU
Curly & Patricia
