CHAIRMAN OF THE BOARD

February 8, 1979

Dear Mr. Greenspan:

It's a delight to let you know how pleased we are with the services of Ed Kerr.

His patience, cooperation, personality and counsel endeared him to all of us at Relief.

Though it's rare that we are ever moved to commend people in this modern age of indifference, we would be derelict indeed if we did not tell you how satisfied we are with Ed Kerr.

Sincerely,

Mr. Sidney Greenspan
