Gentlemen:

Thank you for the checks in settlement of our fire loss in the total destruction of our Greyhound Bus Terminal in San Clemente. We wish to express our appreciation for the highly efficient manner in which you handled the claim and for obtaining for us an equitable settlement. Not the least of the benefit of your service was ~~was~~ the fact that at a time when we had so many other problems to settle because of the fire, we were not required to engage in the tedious process of compiling the data for the claim and negotiating a settlement. Again, thank you for your work in our behalf and you may be sure that should occasion require we will certainly call on you for help.

Very Truly Yours,

Campbell Enterprises
