RE: Fire/Action Sports

Dear Sirs:

We at Action Sports would like to commend The Greenspan Company for the excellent job they did for us during the restoration of our business. Randy Goodman & Shellie Landa were especially helpful in working with the insurance company involved.

Please feel free to have any of your clients or prospective clients give me a call if they are interested in your services. I will be glad to tell them what a fine job The Greenspan Compay did for Action Sports.

Sincerely,

A handwritten signature in cursive script that reads "Randall K. Anderson".
