Dear Richard,

It is with much gratitude that we acknowledge and thank you and Mark Parkinson for the generous contribution of your justly earned commission on the St. Thomas More Church account.

In the official accounting of the proceeds to our Bishop, His Excellency, The Most Reverend Clarence Kelly of the Society of Saint Pius V in Oyster Bay, NY, both your names and that of your company were credited with this charitable gift.

As always, the claim was handled with the utmost efficiency, friendliness and professionalism, for which you and your company are noted, compliments of Mark Parkinson.

I can assure you Rich and Mark that this will not be forgotten.

Once again, thank you from the "poorest little church" in the area.

Sincerely,

A handwritten signature in cursive script that reads "Peter and Jeanne Irving". The word "and" is written in a smaller, more decorative font between the two names.
