

January 13, 2003

To Whom It May Concern:

Prestonwood Baptist Church had a water pipe break in March, 2002 that caused over \$500,000 damage to the walls, floors, carpet, and a great percentage of our sound equipment.

Scott Davidson of Beneke/Adjusters International was assigned to to work with us in the settlement of this claim. Scott's diligence and professional skill provided us with all of the help needed from the beginning of the process to the time of completion of the settlement.

Scott was very professional and efficient in expediting the claim in a timely manner. He was very faithful in giving us updates and we were able to contact him at anytime.

Prestonwood Baptist Church highly recommends Scott Davidson of Adjusters International and thanks them for their assistance.

Sincerely,

Alan Monk  
Business Administrator

Jack Graham, *Pastor*
