Dear Sirs:

I wish to thank you, as well as compliment you, on your services regarding a recent insurance claim that you represented for me.

I was especially impressed with the very professional and prompt manner of Richard Smith. He did a great job of staying on top of thins and legitimately obtained approximately 250% of the adjusters' original settlement offer on this claim.

I assure you that I will be recommending the services of Basloe, Levin & Cuccaro to others.

Again, my special thanks and compliments to Richard.

Sincerely,

Robert L. Funicello  
President
