To Whom It May Concern:

My company experienced an equipment failure, which resulted in a prolonged business interruption and severe loss in sales and revenue. Darin Checchia of Adjusters International was extremely thorough in making sure that we received the complete reimbursement for our losses that we were insured for.

I found Darin to be professional and very knowledgeable regarding coverage limits and applicable standards so that we were able to utilize the complete insurance coverage, which we paid for.

I would not hesitate to recommend Adjusters International, nor would I hesitate to utilize their services again, should it ever be necessary.

Yours truly,
