To Whom It May Concern:

Some time ago, I engaged the services of Basloe, Levin and Cuccaro, Ltd., to adjust a fire which occurred at the Johnstown Hotel at 55 East Main Street in Johnstown N.Y.

I found Mr. John P. Militello who represented that firm to be remarkably courteous, competent and professional in every manner, and I am most pleased to recommend Mr. Militello to anyone in need of insurance adjustment services. They will be on the right track.

Sincerely,

*Raymond H. Gagnon*
