Re: 600 Bleeker Street

Dear Sirs:

On behalf of Key Bank of New York and U.S. Small Business Administration, let me extend my sincere thank you to your firm and especially Richard Smith.

Richard's professional and informative manner guided us from step A to Z. We are extremely pleased, of course, with the settlement and would gladly use your firm if the need arose again.

Please feel free to use this letter as a recommendation for your firm.

Sincerely,

  
Richard L. Manning, V.P.
