Dear Gerry,

I would like to personally thank you for the great job you did for the ONEONTA GROCERY COMPANY in regards to our fire loss last August. It was certainly my good fortune when your Bob Sullivan came in my office and explained what your firm could do for us.

The result was far greater than I had expected. In that regard, my accountant would appreciate it if you would send the breakdown (plus any other pertinent information) on your letterhead for his files.

Please stop in when you are down this way. Have a Nice holiday season.

Yours truly,

William E. Lewis, Pres.
