Dear Randy:

I want to take this opportunity to thank you and your great staff for the effort you put forth in settling our Property and B.I. Claim.

I cannot tell you how smart we were to hire your company to handle this mess. There is no way we could have put the time and effort that you did and get the results that were far greater than anything we imagined.

Please express our thanks to Jesse and we feel like we not only had a great business relationship but in many ways became friends.

Once again, Thank you for everything you did for Greene River. You allowed us to survive a very traumatic period for the company.

Sincerely,

J. Patrick Rodgers  
President
