RE: Flood Loss At Construction Site
532 West Shore Drive, Swan Lake, NY 12783

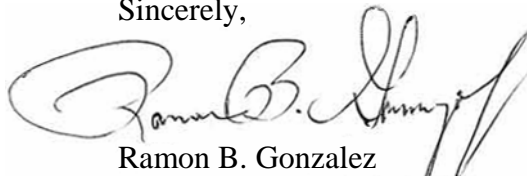

Dear Randy:

I want to thank you for all of your hard work in resolving our claim with The Hartford Insurance Company. Prior to your involvement, we felt that this claim could take years to resolve. Your knowledge of the insurance industry, the claims procedure and your attentiveness to our needs proved to be invaluable in obtaining a quick resolution of our water damage claim and as a result has allowed the construction of the Performing Arts Center to continue on schedule. I am happy to inform you that we will be ready to open on July 1, 2006.

We thank you for your diligence in handling our case. I know that choosing your firm was the best move we could have made. If we again find ourselves in this situation, you will be the first one we call.

Thank you for all of your assistance. Best personal regards.

Sincerely,
